Motorised power shear

 # 00761255

Motorised power shears - SCANTOOL 1250-40SM

SCANTOOL proudly presents their motorised shears with motorized back gauge in a new modern design. The new shears are developed with focus on design, quality, functionality and ergonomics.

Design: A new round shape with soft corners - timeless and modern.

Quality: Manufactured from the best materials and components - at our production in Poland.

Functionality: RTO patented feature which automatically direct cut pieces below 400mm of length out at the front to the operator.

Ergonomics: The cut-piece falls into a tray which is placed ergonomically correct for the operator and allows the operator to keep gloves on and remove the cut-piece without having to bend all the way to the floor.

Service: New developed knife gab adjustment for easy adjustment from the front of the shear when replacing knives.

The plate shears are equipped as standard with:

SCANTOOL GROUP Industrivej 3-9, 9460 Brovst +45 98 23 60 88 info@scantool-group.dk

SCANTOOL
PROUD MANUFACTURER SINCE 1980
