Bench grinder with drill grinding attachment A

 # 351551477

Drill Bit Grinders - SC 200DGT A

SC 200DGT A (1x230V) Drill grinder with grinding wheel and drill grinding attachment A (6-30 mm)

Uncomplicated grinding

SCANTOOL drill grinding attachments are based on a well-proven grinding method which always results in flawless and accurately ground drill points. The attachments are pre-set for grinding twist drills, for driling in steel and iron, with point angle 116-118 degrees and clearance angle 6-8 degrees.

The simplified design ensures that a wide range of different drill sizes can be ground without complicated and time-consuming re-setting. Therefore also unskilled operators can obtain good results.

Product Specification

Rpm	3000
Voltage	3x400V-50 Hz
Motor (Watt)	830
Wheel size, Grinding wheel (ø mm)	200x25x32
Wheel size, Cup wheel (ø mm)	200x38x32
Drill grinder (mm)	A 6-30
Number of spindle speeds	1
Bench model	1
Length (mm)	250
Width (mm)	800
Height (mm)	400
Net weight (kg)	34
