Drill grinder with drill grinding attachment A & B

 # 351552016

Drill Bit Grinders - SC 200DGE A+B

SC 200DGE A+B Drill grinder with drill grinding attachment A & B (6-45mm).

Uncomplicated grinding

SCANTOOL drill grinding attachments are based on a well-proven grinding method which always results in flawless and accurately ground drill points.

The attachments are pre-set for grinding twist drills, for drilling in steel and iron, with point angle 116-118 degrees and clearance angle 6-8 degrees.

The simplified design ensures that a wide range of different drill sizes can be ground without complicated and time-consuming re-setting.

Therefore also unskilled operators can obtain good results.

Product Specification

Rpm	3000
Voltage	1x230V-50 Hz
Motor (Watt)	750
Wheel size, Cup wheel (ø mm)	200x38x32
Drill grinder (mm)	A 6-30 - B 30-45
Number of spindle speeds	1
Bench model	1
Length (mm)	250
Width (mm)	1170
Height (mm)	400
Net weight (kg)	36
