SCANTOOL
PROUD MANUFACTURER SINCE 1980

Pipe grinding Machine for workshops and industry

 # 4000014

ALMI-Universal pipe notchers - AL 150

The AL 150 is provided with two handwheels and carriage system (convertible).

With the AL 150 you can grind material from Ø20 to Ø114.3.

The ALMI pipe notcher is so constructed that the grinding roller and the grinding belt can be changed easily and in no-time.

Besides this, ALMI developed a new belt adjustment system.

With the new system the adjustment of the belt is more easier as it was before. When turning the hexagonal key you bring the grinding belt in de right position.
