Bench belt grinders for workshop

 # 600711225

Workshops belt grinders - SCANTOOL 1220-VARIO

SOLID AND STURDY BELT SANDER

The SCANTOOL 1220-VARIO is a compact, robust and practical machine for the optimum grinding and deburring of all metals. The variable speed ensure correct belt speed for all desire operations.

The machine is standard on pedestal and is for single phase 230v, 50/60Hz.

The safety is top! We have thought about your safety, so the machine is CE-approved, has a low noise level, large adjustable eye protection and separate emergency stop.

We recommend that you remember to purchase extra sanding belts.
