**Milling and drilling machines - DM-40CA**

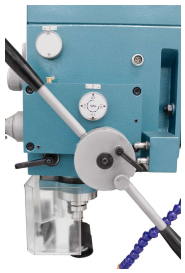

The **SCANTOOL DM-40CA** is a versatile geared head milling and drilling machine with **auto feed**, designed for precision and performance in demanding workshop environments.

Featuring a powerful **1.1 kW motor (3x400V)**, **MK4 spindle taper**, **Keyless chuck**, **Cross table 730 x 210 mm**, **Digital depth readout**, **24V kick down control**, **LED work light**, **Siemens electrical components**, **built-in cooling system.**

This machine will handle a wide range of drilling and milling tasks with ease.

With **12 spindle speeds** ranging from **75 to 3200 RPM**, **tapping function**, **auto feed** and an integrated **cooling system**, the DM-40CA ensures smooth and efficient operation even during intensive use.

Included Accessories:
Drilling chuck (Ø1–13 mm
