Wet stone grinder

 # 601552102

Wet stone grinders - SCANSLIB 200S - Japanese stone (grit 800)

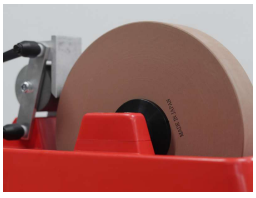

SCANSLIB 200S Grind without any grinding experience - and always produce a perfect sharp result !

SCANSLIB 200S wet stone sharpening machine is a unique machine for sharpening of knives, scissors, plane blades, wood working tools, etc.

SCANSLIB is with it's special angle guide and special designed tool rest able to grind and sharpen most common tools without any extra investment in jigs and other accessories. The standard version will do most sharpening tasks - so no extra investment !

SCANSLIB is ideal for any house hold who like to have perfect sharpened knives and tools which are not only extremely sharp but also look perfect.

SCANSLIB makes this easy to achieve - even without any grinding experience.

But SCANSLIB is also ideal for agriculture, forestry, carpentry, abattoir, fishery, schools, hotels, restaurants, etc. - anywhere where the a sharpen tool is required ! See the video on our website to learn how easy it is !
