

Manual folding machine

540723100

Hand operated folders - SCST 660

SCANTOOL SCST 700 - 1300 folding machines are easy to operate, light, manual machines particularly suited for folding of the thin sheet metals.

The machines are offered with clamping bar: S - high segment-divided.

It is easy to remove the under-frame for transportation or bench mounting.

A bench mounting kit is available as optional equipment.

All folding machines can now be easily convert from L - low to H - high or S - with segments with the additional tooling.
